What Makes a Good Pro Writing App

These are the characteristics we consider important in a pro writing app and the criteria we used when selecting the best one:

- **Design** – A pro writing app *must* be well designed so that it provides an inviting writing environment, eliminating as many barriers as possible so you can enter into a state of flow and do your best creative work.
- **Ease of Use** – The app must be easy to use. The purpose of any tool is to make the work easier. If it's too difficult to figure out how a certain feature works, it can actually make it harder to get words on a page.
- **Workflow Options** – The application you choose to use should adapt to fit your workflow. It should accommodate
